3.	In January 1953 or earlier the name of the SNB was changed to	
	Public Security (Verejna Bezpecnost - VB). in January	25 X ′
	1953 the SNB office in Mlada (near Milovice)	25X1
	the letters SNB had been painted out and replaced	
	by the letters MVVB (Mistni Velitelstvi Verejne Bezpecnosti -	
	Local Command of Public Security). the VB was	25X1
	designated OVVB in the district (okres) and KVVB in the region	
	(kraj). The VB guarded and inspected all trucks which carried	3e7
	vital shipments within Czechoslovakia and was on the lookout for	
	any disturbances in factories and other places of employment.	
4.	The function of the StB was to apprehend any persons who talked	
	against the state and to maintain a close watch over the political	
	unreliables who were serving labor sentences at the Jachymov	
	uranium mines. The mission of the People's Militia was to assist	
	the least relies to ear diseasers which wishe essue to feateries	

the Army League (SVAZARM), which gave youngsters training in basic army subjects such as rifle training, execution of military commands, and drill
